"Stro is a good person who loves to fuck. He will go out his way trying to hit, stalking, money. He will chace u down. Its worth it because he is hung like a horse and he knows how to work it. But those of us from shrveport know he tells evryone he hit, and then u r labeled one of Stro's girls."

- Stromile Swift

### 3 Things To Scream if you're at the game

1. "Vince, judging by all the new faces on your squad, I guess people still can't stand your whining, pussy!"
2. "Lopez, how does it feel to be worse than your sister Robin?"
3. "What stinks worse, the Nets or the Jersey Turnpike?"

### Last Encounter

04/11/08 TOR 113 NJN 85

Delfino hit a season-high 6 three's en route to 24 points. We rallied back from an 18-pt deficit to blow out New Jersey, an especially satisfying win since it eliminated the Nets and King Wince-A-Lot from playoff contention.

### Fun Facts

**Devin Harris** lost a game of one-on-one to a British amateur streetballer.

**Sean Williams** wanted to swap his #51 for #420, but the league, like, totally squashed his vibe, man.

Rumour has it **CDR** taps his arm tattoo 3 times prior to every free throw, though he hasn't managed an attempt this season.

The Raptors are better because...

...at least we KNOW we're never getting Lebron.
